

Pre-LP Lamborghini Gallardo Pre-Purchase Inspection (PPI) Checklist

Craig Waterman – ASE Certified Technician

Cell/Text: 781-402-4013 | Email: craigwaterman11@yahoo.com

Vehicle Information

- 1 Year / Model / VIN
- 2 Mileage
- 3 Seller Type (Private / Dealer)
- 4 Service Records Present (Yes / No)

Mechanical & Drivetrain

- 1 Clutch wear percentage verified by scan tool
- 2 E-Gear operation and calibration
- 3 Transmission and differential leaks
- 4 CV boots and driveline mounts
- 5 Cooling system condition

Suspension, Steering & Brakes

- 1 Control arm bushings and ball joints
- 2 Shock absorber condition
- 3 Brake rotor condition and pad life
- 4 Wheel integrity (bends, cracks)
- 5 Tire age, wear, and matching brands

Body, Paint & Interior

- 1 Paint consistency and panel alignment
- 2 Signs of previous accident repair
- 3 Underside and rocker panel condition
- 4 Interior switchgear and trim wear
- 5 Dashboard warning lights or errors

Important: A professional, independent PPI helps identify hidden issues before purchase. Skipping a proper inspection can result in thousands of dollars in unexpected repairs.
